EXPERIENCE

Head of Media Department

High Gate Academey for Excellence

08/2025 - Present Irbid, Jordan

- Lead all media operations for the school, including photography, videography, video editing, graphic design, and content scheduling across social media platforms.
- Built and launched a custom in-house Media Booking System from scratch, enabling teachers and staff to request photo/video coverage for classes and events — streamlining workflow and request tracking.
- Developed an interactive Parents' Guide to support parent-teacher conferences, improving communication and the parent experience.
- Designed and deployed a digital school fees web page accessible via QR code at the school reception, enhancing accessibility and reducing manual inquiries.
- Grew Instagram followers by 2000+ and Facebook followers by 2500+, with significant boosts in engagement and reach.
- Produced and published 300+ posts across the school's social media channels, building a consistent, professional brand presence.

Video Editor | Graphic Designer | Ai Specialist | Visual Storyteller

Upwork

05/2025 - Present Remotely

- Successfully collaborated with international clients across diverse industries, delivering high-quality video editing, graphic design, motion graphics, and AI-generated visual content tailored to their brand needs.
- Worked with multicultural teams and audiences, creating innovative and engaging content for multiple social media platforms worldwide, leveraging AI tools to enhance creativity and efficiency.

Full Stack Designer, Filmmaker and Video Editor

Freelance

07/2020 - Present Jordan

- Delivered high-quality designs that consistently exceeded client expectations, resulting in positive feedback and repeat business.
- Successfully managed a wide range of design projects, including logos, branding materials, web graphics, and print collateral. Demonstrated adaptability and versatility in handling various creative tasks.
- Met project deadlines consistently, ensuring smooth project execution and client satisfaction. Punctuality is a hallmark of my work.

Social Media Visual Designer Video Editor and Filmmaker

Email Solutions

05/2024 - 05/2025 Amman, Jordan

- Boosted engagement, brand recognition, and sales through award-winning visuals and videos. Led teams to deliver high-impact projects on time and within budget.

SUMMARY

AI Specialist, filmmaker, and visual designer with an in-house production setup and a proven track record of delivering high-impact creative work for satisfied clients. I blend cutting-edge AI tools with strong fundamentals in video editing, cinematography, motion graphics, and design to produce content that doesn't just look great, it performs. Backed by hands-on experience in digital marketing, social media growth, and advertising campaigns, I bring both the creative eye and the strategic mindset needed to turn ideas into measurable results.

EDUCATION

BA in Design and Visual Communication

JUST (Jordanian University of Science and Technology)

📅 09/2020 - 02/2024 📍 Jordan-Irbid

- The design and visual communication department aims to introduce academic programs that are distinguished in graphic design and design for digital media, as well as to stimulate the creative spirit among students by providing students with the knowledge and skills that qualify them to participate in the design market and the overall development process.
-

High School

Greek Catholic School

📅 09/2017 - 06/2018 📍 Jordan-Irbid

- I graduated from high school with an excellent grade point average (94%), allowing me to enter almost any major in my country's universities, and I chose Design and Visual Communication college because it is my passion and dream.
